

Pastor Alexander Ikomoni

Born sick, in Uhwuru Nigeria, went from doctor to doctor, given up to die, grave dug. But then God showed up, for a dead man cannot preach the Word of God and a dead man cannot praise Him.

Pastor Alexander has been called to bring people from darkness to walk in His **marvelous light**. He is a voice for the voiceless, to give hope to the hopeless, less privileged and the marginalized. He is also called to destroy the infrastructures of the enemy “POVERTY” .

Pastor Alexander always knew, as far back as his high school days in the dorm, that he will stand up for the poor, the oppressed, the cast out, less privileged, marginalized all over the world. He knew he would establish shelters, schools, medical facilities for the needy.

In 1996 God spoke to **Pastor Alexander** to pick up the **MANTLE** and start the Walk he is destined to do. Like Jonah, he ran from place to place but there was no place to hide from the hand of God Almighty. He got trapped in the bottom of the shipwreck and realized, there was no other way out but to pick up the **Mantle**.

As a Nigeria, by birth who now resides in the USA for many years has been trained and credentialized by the Church of God, Cleveland Tennessee. He attended the Church of God Theological Seminary now the Pentecostal theological Seminary with Masters in Divinity.

Pastor Alexander as part of his Seminary scholarship program founded White Dove Church of God in March 2007, in Stockbridge Georgia and has being a full time Pastor with his beautiful, lovely wife Angela as Co-Pastor and 3 wonderful kids Natassia, Alexis and A.J. all active in the ministry and all filled with zeal for Christ.

Pastor Alexander who believes in strong family values believes that, with God all things are possible. Ears have not heard, eyes have not seen nor has the mind truly conceived what God is about to do with and through him.

With God, his family by his side, members, ministry partners, and those who support the vision God has mandated, **Pastor Alexander** believe that together a difference will be made in hurting regions, and the Kingdom of God will be advanced.

Every “deadness” in our lives must rise up to the glory of Christ Jesus.
